Qualifications

- BDS MSc PhD FDSRCS

Current position

Private Clinical practice at

- AL Salam Dental Center
- Alwafa private Hospital

Previous position

- Consultant Oral and Maxillofacial Surgeon, Alwafa Private hospital, Tripoli. 1996-1997.
- Consultant of Oral and maxillofacial Surgery Department. Tripoli Medical Center Tripoli Libya 1997-2014.
- Faculty member of Oral Surgery department, Tripoli Dental School, Tripoli University 1997-2009.

Previous Clinical Appointments
Hospital position

1998 -2014

Consultant Head of oral and maxillofacial surgery department, Tripoli Medical Centre, Tripoli Libya.
Post Recognized as Training Center for the MOSRCSE by the Royal College of Surgeon of Edinburgh from 2004.

1987

(Six months)

House Officer in Oral and
Maxillofacial surgery
Benghazi Dental School and hospital
Benghazi Libya

1988-1989

(16 months)

Senior House Officer oral and
maxillofacial surgery
Benghazi Dental School and hospital
Benghazi Libya

1990-1993

Clinical postgraduate student oral
Surgery and medicine
Bristol Dental School
Bristol UK

July 1993-Augst 1994

(13 months)

SHO oral and maxillofacial
surgery John Radcliff Hospital Oxford UK

Sept. 1994-Dec. 1995

(15 months)

SHO oral and maxillofacial
Surgery Edgware and Barnet general hospital
Edgware UK

Jan-June 1996

(6 months)

SHO oral and maxillofacial
surgery John Radcliff Hospital Oxford UK

Clinical experience

Dento-alveolar surgery

Wisdom teeth

Jaw cysts

alveoloplasty

Bone augmentation

Freneotomies

S M duct stone

Management of facial space infections

Dental implants (surgical and prosthetic phase)

Southern implants

Dentium implants

ICX implants

BTK implants

Facial trauma

Mandibular fractures

Maxillary (LeFort) fractures

Orbital floor fractures

War injuries

Distraction osteogenesis (mandible)

Surgical oncology

Mandibular resection and reconstruction

Oral cavity tumor resection

Loco-regional flap reconstruction

Facial skin cancer resection and local flap reconstruction

Cleft palate surgery

Palatal cleft repair

Alveolar bone graft

TMD and facial pain management

Mostly conservative management

Management of mucosal diseases.

Submandibular gland surgery
Limited experience in parotid surgery

Previous Academic posts

- Academic director of the Quality Assurance and Accreditation Center for Educational Institutes Ministry of high education and scientific research 2009 -2012.
- Postgraduate Dean, Ministry of high education and scientific research 2007-2009.
- Member of the scientific committee and the scientific research project funding the National Research Institute Libya 2008-2013.
- Examined for the Sudanese board of oral and maxillofacial surgery, Khartoum Sudan.
- Member of the Syllabus Committee Development, Tripoli Dental School, Tripoli University.
- Member of the Arab Board for oral and maxillofacial surgery specialty.

Teaching experience

1997-1999	Lecturer Department of Oral Medicine & Oral and Maxillofacial Surgery. Tripoli Dental School. Tripoli University.
2000-2002	Assistant professor, Department of Oral and Maxillofacial Surgery. Tripoli Dental School. Tripoli University.
2002-2004	Associate professor, Department of Oral and Maxillofacial Surgery. Tripoli Dental School. Tripoli University.
2004-2009	Professor of oral and maxillofacial surgery Tripoli Dental School. Tripoli University.

Previous academic appointment

- Member of the consultancy Committee for the, Libyan International Medical University, Benghazi, Libya 2007-2015.
- Member of the national committee for the prevention from HIV and hepatitis infection 2003-2006.
- Head department of Oral medicine Tripoli Dental School, Tripoli University 1999-2003.

Examining experience

- Examiner at Tripoli Dental School Tripoli University. Tripoli Libya.
- External examiner Benghazi Dental School. Benghazi University. Benghazi Libya.
- External examiner Sabha Dental School. Sabha University, Sabha Libya.

Postgraduate examining experience

- Examiner for the membership in Oral Surgery (MOMS) Royal College of Surgeons of Edinburgh.
- External examiner for the Sudanese board of Oral and Maxillofacial Surgery Khartoum, Sudan.
- External examiner for the Medical Technology College Musrata, Libya.

University Education

Undergraduate

1986 Bachelor Dental Surgery
Benghazi Dental School
Arab Medical University
Benghazi Libya

Postgraduate

1990 MSc Oral Surgery
Bristol University
Bristol UK

1993 PhD Oral Medicine
Bristol University
Bristol UK

1993 FDSRCS
Royal College of Surgeons of England
London UK

Scientific Contributions

Invited Lectures

1. Head and Neck Malignancy, Head and Neck Cancer Symposium, Sabrata Cancer Institute, Sabrata Libya March 2010
2. Parotidectomy, Sabrata Cancer Institute, Sabrata Libya June 2010
3. Management of Basal Cell Carcinoma. Elkabir M Dental Conference, Damascus University Syria 16-18 April 2009.
4. Management of Orbital Blow-out Fracture Elkabir M. The Sudanese Council of Medical Specialization Board of Oral and Maxillofacial Surgery, June 2008.

5. Ameloblastoma presentation and management, Oral Surgery Department, Khartoum Dental School, Khartoum Sudan June 2008.
6. Parapharyngeal Space Tumor, Oral Surgery Department. Khartoum Dental School, Khartoum Sudan June 2008.
7. Management of Orbital Blow-out Fracture, Elkabir M, Oral Disease Meeting, Dental School Damascus University, Syria. May 11-13 2008.
8. Head and Neck Malignancy. Oral Disease Meeting Dental School Damascus University Syria. May 11-13 2008.
9. Oral Cancer in Libya: A prospective Study of 142 Patients treated at Tripoli Medical Center Elkabir M Shembesh, Ben Sassi. Tripoli Medical Center, 15th June 2007.
10. Spreading severe Odontogenic infection: presentation, and management and outcome of a consecutive series of patients. Elkabir M, Tripoli Medical Center. January 2006.
11. Oral Manifestation of HIV. Benghazi Dental School. March 1999.

Postgraduate courses

1. Dental Implant Workshops, Branemark Osseointegration System. Eastman Dental School and Hospital, London UK, November 1992.
2. Northwick park Microvascular Workshops, Northwick park Institute for Medical Research, London UK, March 1995
3. A O Maxillofacial Seminar, Panfacial Fracture Management. Welwyn Garden City UK May 1995.
4. Orthognathic Surgical Update, Countess of Chester Hospital, Chester UK, July 1995.
5. South Coast Surgical Anatomy Course, Southampton University, Southampton UK, Sept 1995.
6. Anatomical Repair of Cleft lip and palate Workshops, Pool General Hospital Pool UK October 1996.

7. Surgical Training in cleft and palate. Cleft lip and palate Center. School of Stomatology. Beijing Medical University Beijing China June 1997.
8. AO advance workshops on maxillofacial fractures treatment Davos Switzerland December 1998.
9. ISO 9001 – 2000 Training course. 1999 Tripoli, Libya.
10. Continuing Medical Education. BAOMS Annual Scientific Meeting 6-8 June 2001, Harrogate International Center, UK.
11. Dental Implant Course, 20-23 November 2002, Libyan Dental Association, Tripoli, Libya.
12. Dental implant course. 10-15 November 2004. Johannesburg and Durban South Africa. Southern Implants.
13. Temporomandibular Disorders- Who should treat & When? May 20th-21st 2005. The British Society for Study of Cranio-mandibular Disorders. 3rd Annual Symposium Royal Institute of British Architects, London UK.
14. Cranio-maxillofacial S.O.R.G. Course on Basic and advance Trauma, Oncology & Reconstructive Surgery, Distraction, Pre-prosthetic Surgery & Implant, Maxillofacial Deformities & Orthognathic Surgery. Belek, Turkey, May 14th-19, 2006.
15. Examiners Training Course Edinburgh on 15 June 2007. Eligible to serve as an examiner for the Royal College of Surgeon of Edinburgh.
16. Education World Forum 2012, learning from the best for a world of change. 9-11 January 2012 London UK.
17. Higher Education Leadership and Management Program. UK Leadership Foundation for Higher Education. 25-29 March 2012, Tripoli Libya.

Conferences and Meetings

1. International Conference of Oral Medicine, Edinburgh, 6-8 July 1992.
2. BSDR, London, April 1993.
3. BAOMS meeting, John Radcliff Hospital, Oxford, UK, 1993.
4. International Symposium on Tuberculosis, Tuberculosis New Challenges. 12-13 May 2001, Tripoli Libya.

5. The Joint Meeting 3rd congress of the Libyan African Society of Refractive Surgery, 11th Meeting of the Libyan Ophthalmic Society. 14-16 December 2002.
6. The first Libyan medical meeting for Libyan doctors working locally and abroad Libya, 31 July-2 August 2005.
7. Quincentenaries' Symposium of the Royal College of Surgeons of Edinburgh with the Egyptian association of Oral and Maxillofacial Surgery. 29-30 September 2005, Cairo Egypt.
8. The 20th Jordanian Dental Congress 9-12 May 2006 Amman Jordan.
9. The 15th Alexandria International Dental Congress 14-17 November 2006. Alexandria Egypt.
10. The 4th International Conference of the Egyptian Association of Oral and Maxillofacial Surgeons in Association of the 1st African Association of Oral and Maxillofacial Surgeons. 20-22 September 2006. Cairo Egypt.
11. The 3rd Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.
12. The Fifth International Meeting. Faculty of Dentistry, University of Aleppo Syria. 24-26 April 2007.
13. The sixth Libyan Medical Conference, 19-22 March 2009, Zawia, Libya.
14. 6th Meeting of the Libyan Surgical Society. 23 October 2009 Zeliten, Libya.
15. International conference on Dental and Oral Health, Las Vegas USA, 19 August 2012.
16. International Libyan Dental Meeting. 20-22 April 2013 Tripoli Libya.

Research experience

Research Papers

1. Liver function in UK patients with oral lichen planus. Elkabir M, Scully C, Porter S, McNamara E. Journal of Clinical and Experimental Dermatology, 1993; 18:12-16.
2. Candidosis: C. Scully, Elkabir M, L. Samaranayake. In: Millard H, Mason D, 2nd World Workshop on Oral Medicine, 1993.

3. The systemic diseases underlying desquamative gingivitis. Hammad M, Porter S, Elkabir M, Scully C. Journal Dental Research 72, 716 (235) 1993.
4. Oral Candidosis & immunity in HIV. Elkabir M, Scully C, Johnson E, Warnock D, Porter S. Journal Dental Research 72, 716 (240) 1993.
5. Oral Candidosis in UK HIV-infected patients. Porter S, Luker J, Scully C, Elkabir M, Griffith MJ. Journal Dental Research 72, 737 (406) 1993.
6. Candida and Oral Candidosis: A Review. Scully, Elkabir M, L. Samaranayake. Critical Review in Oral Biology and Medicine, 1994; 5(2):125-157.
7. Assessment of the Vascularity of osteotomised free fibula graft. Elkabir M, Watt-smith S. British Association of Oral and Maxillofacial Surgery Meeting. 15-17 April 1994, Oxford.
8. The effect of Azole Drug Resistance in Candida species among HIV infected patients receiving prolonged Fluconazole therapy for oral candidosis. Elkabir M, Johnson EM, Warnock DW, Luker J, Porter S, Scully C. Antimicrobial agent and Chemotherapy 35: 103-114, 1995.
9. The effects of mouth rinses and dentifrice containing magnesium monoperoxyphthalate (mmpp) on oral microflora, plaque reduction, and mucosa Scully C, Elkabir M, et al. J Clin Periodontol 1999; 36: 234-238.
10. Oral aspects of tuberculosis. Elkabir M. International Symposium on Tuberculosis, Tuberculosis New Challenges 12-13 May 2001 Tripoli, Libya.
11. Management of orbital wall fracture. Elkabir M. The joint meeting, 3rd Congress of the African Society of Refractive Surgery, 11th Meeting of the Libyan Ophthalmic Society. 14-16/12/2002.
12. Prevalence of hepatitis C virus antibodies among different populations varies in relative and attributable risk. M Daw, Elkabir M et al. Saudi Médical Journal, 2002, Vol.23 (11) :447-451.
13. A Review: Sjogren's syndrome. Elkabir M, Elsanusi Taher. Jamaheria Medical Journal (September) 2004; Vol.3 No2: 4-8.
14. Mastocytosis. Elkabir M. Jamaheria Medical Journal Vol. 4 No.1: 6-9 (summer) 2005.
15. The first case report of oral bullous mastocytosis Elkabir M, M Bengazil, and R Markus. Jamaheria Medical Journal Vol. 4 No.1: 72-74 (summer) 2005.

16. Management of orbital floor fracture. Review article. *Jamaheria Medical Journal* Vol.4 NO. 3:174-179 (winter) 2005.
17. Management of orbital floor fracture Tripoli Medical Centre experience. *Jamaheria Medical Journal* Vol 4 No.3: 206-210 (winter) 2005.
18. Surgical Management of basal cell carcinoma. Elkabir M, Bengazil M. Markus R. *Jamaheria Medical Journal* Vol.5 No.2 (summer) 2006. Inhibition of Volatile Sulphur Compounds production in fermenting saliva. Fadel M, Elkabir M. *Jamaheria Medical Journal* Vol 6 No 1. (Autumn) 2006: 36-39.
19. Inhibition of HIV infectivity in oral cavity by peroxidase enzyme-producing Hypothiocyanite. Fadel M, Elkabir M, et al. *Jamaheria Medical Journal* Vol 7 No 1. (Spring) 2007: 10-15.
20. Inhibition of volatile Sulphur compounds production in fermented saliva. M Fadel, Elkabir M. *Jamahiriya Medical Journal* Vol. 7 No 1. (Spring) 2007
21. Infratemporal Fossa Tumor. A Diagnostic Dilemma. Elkabir M. *The Libyan Journal for Medical Research* Vol.1; Year 2-2006: 19-27.
22. Incidence of Odontogenic Cysts in Libyan Population. Elkabir M, H Shembesh, *Jamaheria Medical Journal* Vol. 7 No 3. (Autumn) 2007.
23. Basal Cell Carcinoma Presentation and Management. Elkabir M. *Libyan Journal for Medical Research* Accepted.
24. Management and Incidence of Trigeminal Neuralgia among Libyan patients. Elkabir M, Elsanusi Taher S. Submitted.
25. Case report Langerhan's Cell Disease. Elkabir M, H Eljaml. *Jamaheria Medical Journal*. Submitted. 2011.
26. Inhibition of volatile Sulphur Compound in fermenting saliva. Fadel M, Elkabir M. *JMJ* Accepted in press. 2011.
27. Inhibition of HIV infectivity in oral cavity by peroxidase enzyme-producing hypothiocyanite, Review Article. Mohamed Fadel, Elkabir M, Salem Agiely. *JMJ* Accepted in press. 2011.
28. Orofacial malignancy at Tripoli Medical Center Elkabir M. International conference on Dental and Oral Health, Las Vegas USA, 19 August 2012. Accepted *Journal of Dentistry*.
29. Benign Orofacial Lesions in Libyan Population: A 17 Years Retrospective

Study. Marwa Hatem^{1, *}, Ziad S. Abdulmajid¹, Elsanousi M. Taher¹, Mohamed A. El Kabir², Mohamed A. Benrajab² and Rafik Kwafi¹. The Open Dentistry Journal, 2015, 9, 380-387.

ABSTRACTS

1. Oral lichen planus and liver disease in UK patients. Elkabir M, Scull C, porter S, McNamara E. International Conference of Oral Medicine, Edinburgh, 6-8 July 1992.
2. Emergence of Fluconazole resistant oral candida spp. in HIV positive patients. Luker J, Johnson E, Scully C, Elkabir M. International Conference of Oral Medicine, Edinburgh, 6-8 July 1992.
3. Oral Candida and Salivary immunity in HIV infection. Elkabir M, Scully C, Johnson E, Warnock D, Porter S. BSDR, London, April 1993.
4. Oral Candidal Carriage in healthy volunteers. Elkabir M, Scully C, Greenman J, Porter S. BSDR, London April 1993.
5. The systemic disease underlying desquamative gingivitis. Hammad M, Porter S, Elkabir M, Scully C. BSDR, London April 1993.
6. Oral Lesions in UK HIV infected patients. Porter S, Luker J, Scully C, Elkabir M. BSDR, London April 1993.
7. Oral Aspects of Tuberculosis. International Symposium on Tuberculosis, Tuberculosis New Challenges. 12-13 May 2001, Tripoli Libya.
8. Management of Orbital Floor Fracture. The Joint Meeting 3rd congress of the Libyan African Society of Refractive Surgery, 11th Meeting of the Libyan Ophthalmic Society. 14-16 December 2002.
9. Management of basal cell carcinoma. Elkabir M. The first Libyan medical meeting for Libyan doctors working locally and abroad Libya, 31 July-2 August 2005.
10. Submandibular swelling: A careful diagnosis. Elkabir M. The first Libyan medical meeting for Libyan doctors working locally and abroad, Libya, 31 July-2 August 2005.

11. Infratemporal fossa tumor. A diagnostic dilemma. Quincentenary Symposium of the Royal College of Surgeons of Edinburgh with the Egyptian association of Oral and Maxillofacial Surgery. 29-30 September 2005, Cairo Egypt.
12. Management of orbital floor fracture. Elkabir M. Pan Arab Association for oral and maxillofacial surgery fourth annual meeting Almadinah Almanwarah Kingdom of Saudi Arabia, 21-23 Nov., 2005
13. Management of basal cell carcinoma in Libyan patients. Elkabir M. Health worlds Asia 2005 International Health Congress. Singapore 11-13 November 2005.
14. Management of basal cell carcinoma in Libyan patients. Elkabir M. The 20th Jordanian Dental Congress 9-12 May 2006 Amman Jordan.
15. Parapharyngeal Space tumor surgical access. Elkabir M. N A Nasser. The 4th International Conference of the Egyptian Association of Oral and Maxillofacial surgeons in Association of the 1st African Association of Oral and Maxillofacial Surgeons. 20-22 September 2006 Cairo Egypt.
16. An Audit of Parotidectomy. N A Nasser Elkabir M. The 4th International Conference of the Egyptian Association of Oral and Maxillofacial Surgeons in Association of the 1st African Association of Oral and Maxillofacial Surgeons. 20-22 September 2006. Cairo Egypt.
17. Parapharyngeal Space tumor surgical access. Elkabir M. N A Nasser. The 7th Asian Congress on Oral and Maxillofacial Surgery. 5-9 November 2006. Hong Kong. pp_0234.
18. Management of Basal Cell Carcinoma. Elkabir M. Alexandria. The 15th Alexandria International Dental Congress 14-17 November 2006. Alexandria Egypt.
19. Infratemporal Fossa Tumor. A Diagnostic Dilemma. Elkabir M. The Fifth International Meeting. Faculty of Dentistry, University of Aleppo Syria. 24-26 April 2007.
20. Management of Basal Cell Carcinoma, treated at Tripoli Medical Center. Elkabir M. The 3ed Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.
21. Parapharyngeal space Tumor Surgical access. Tripoli Medical Center. Elkabir M. N A Nasser. The 3ed Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.
22. Oral Cancer: incidence and patterns in Libyan Population, treated at Tripoli Medical Center. Hisham Shembesh, Elkabir M. The 3ed Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.

23. Trigeminal Neuralgia: Clinical parameters and management Tripoli Medical Center. Kamila Bensassi, M Elkabir. The 3ed Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.
24. Temporomandibular Disorder: Review of the concept & clinical features of 101 patients treated at Tripoli Medical Center. Hisham shembesh, Elkabir M. The 3ed Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.
25. Langerhan's Cell Histiocytosis, Tripoli Medical Center. Hesham Eljaml, Elkabir M. The 3ed Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.
26. The First case report of Bullous Oral Mastocytosis, Tripoli Medical Center. S Abutwerat, Elkabir M. The 3ed Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.
27. A clinical histopathological study of 25 Ameloblastoma cases treated at Tripoli Medical Center. Hesham Eljaml, Elkabir M. The 3ed Libyan Dental Meeting, Benghazi, Libya 10-12 April 2007.
28. Parapharyngeal Space Tumor. Elkabir M, N A Nasser. 5th Panarb Association for Oral and Maxillofacial Surgery Conference in Collaboration with King Fahad General Hospital 11-14 February 2008.
29. A retrospective audit of 315 cases of parotidectomy for benign tumors N A Nasser*, M Elkabir**. London hospitals*, Tripoli Medical Center**. The sixth Libyan Medical Conference, 19-22 March 2009, Zawia, Libya.
30. Distraction ontogenesis Mandibular distraction. S Abutwerat, Elkabir M. The sixth Libyan Medical Conference, 19-22 March 2009, Zawia, Libya.
31. Odontogenic Infection, Incidence and Treatment. S Abutwerate, H Shembish, Elkabir M. The sixth Libyan Medical Conference, 19-22 March 2009, Zawia, Libya.
32. Oral Cancer Prevalence in Libya. Shmbish, Elkabir M. The sixth Libyan Medical Conference, 19-22 March 2009, Zawia, Libya.
33. A clinical histopathological study of 32 ameloblastoma cases treated at Tripoli Medical Center. Shmbish, Elkabir M. The sixth Libyan Medical Conference, 19-22 March 2009, Zawia, Libya.
34. Parapharyngeal Space Tumor: Surgical Access. Elkabir M Pan Arab Association of Oral and Maxillofacial Surgery Meeting 17-18 March 2010, KSA.

35. Head and Neck Malignancy. Elkabir M. 6th Meeting of the Libyan Surgical Society. 23 October 2009 Zeliten, Libya.
36. Management of Early Basal Cell Carcinoma. Elkabir M. 6th Meeting of the Libyan Surgical Society. 23 October 2009 Zeliten.
37. Distraction Osteogenesis. Elkabir M. 6th Meeting of the Libyan Surgical Society. 23 October 2009 Zeliten.
38. Retrospective Audit Parotidectomy 1989-1994. Nasser N A, Elkabir M. 6th Meeting of the Libyan Surgical Society. 23 October 2009 Zeliten.
39. A 14 years survey of benign oral and maxillofacial diseases in Libyan population at Tripoli Medical Center 1997-2010. Elkabir M. International Libyan Dental Meeting. 20-22 April 2013 Tripoli Libya.
40. Orofacial malignancy at Tripoli Medical Center. Elkabir M. International conference on Dental and Oral Health, Las Vegas USA, 19-21 August 2013.

PAPERS IN PREPARAION

1. A 16 years survey of benign oral and maxillofacial diseases in Libyan population at Tripoli Medical Center 1997-2012.
2. Orofacial Malignancy at Tripoli Medical Center 1997-2012
3. Incidence of Hepatitis B infection and autoimmune profile Of vaccinated in Preclinical and clinical Dental students in Dental School, Tripoli University.
4. Salivary PCR testing for HBV, HCV and HIV particles from infected patients.
5. HPV vs oral squamous cell carcinoma
6. Incidence of Oral Sequamous Cell Carcinoma among the Libyan population.

Membership

1. British Association of Oral and Maxillofacial Surgery
2. Libyan Surgical Association
3. Libyan Association of oral Implantology
4. Egyptian Association of Oral and Maxillofacial Surgery
5. African Association of Oral and Maxillofacial Surgery
6. Fellow of the International Academy of Oral Oncology
